You are receiving this form because you need to clarify information you (or your parent, if you are a dependent student) reported to our office. **Child Support Paid**
You indicated on your 2015-16 FAFSA that you (&/or your spouse, if married, or your parent, if you are a dependent student) paid child support in 2014.

1. Check the appropriate box below:
   - [ ] I &/or my spouse/my parent DID NOT PAY child support in 2014.
   - [x] I &/or my spouse/my parent DID PAY child support in 2014. **Complete the grid below.**

   **NOTE:** Federal regulations do not allow a student (or parent, if the student is dependent) to indicate a child in the student’s household size and include child support payments made for that child on the FAFSA. If child support was paid by you/your spouse/your parent for a child included in your household, you will need to decide if the child should remain in the household or if the child support payments made for that child should remain on the FAFSA. Based on the paperwork you submit, if it is indicated a child in your household was also the recipient of child support payments you/your spouse/your parent made, you will be sent a follow-up worksheet to clarify which option you would like to exercise.
