**Central Campus**
340 DeKalb Pike  
Blue Bell  
General Information, 215-641-6300  
Admissions, 215-641-6551

In 1972, the College moved from Conshohocken to the site of a former dairy farm, Gwynlian Farm, in Blue Bell. The 186-acre site in Blue Bell has become the College's Central Campus. It is located halfway between Norristown and Lansdale on Route 202, about 25 miles northwest of Center City Philadelphia. A majority of the county's 62 boroughs and municipalities are located within a 10-mile drive of the College.

**Parkhouse Hall** is the principal classroom and faculty office complex. It also contains the Division of Workforce Development and Continuing Education, New Choices and New Options Programs, and ACT 101 Program.

**College Hall** serves as the center for study, student services, recreational and social activities. Located there are the Cafeteria, The Children's Center, Learning Resources Center, Testing Center, and Student Lounge. It also houses the offices of Admissions, Registration and Records, Business Affairs, Financial Aid, Health Services, Human Resources, Purchasing, Student Affairs and Enrollment Management, Student Activities, the Student Success Center, Services for Students with Disabilities, and Safety and Security.

The **Science Center** contains classroom, laboratory and faculty offices. It also houses Academic Affairs, the Dental Hygiene Clinic, the Medical Laboratory Technician and Nursing facilities, Cultural Affairs Office and Auditorium/Theater.

The **Physical Education Center** has two multi-sports gymnasiums, a dance studio, a racquetball court, a Wellness Center, classrooms, faculty offices.

The **Art Barn** provides fine arts studios and computer lab space for Digital Art programs. The 2008 renovation and expansion of The Art Barn increased the facility to now provide 26,000 square feet. This building is now the premier space for the arts and allows for specialized studios, a grand lobby and art gallery, sculpture garden and walkway system. This building serves more than 3,500 credit and non-credit students from throughout the community.

The **Cathcart Annex** provides classroom space. The campus store sells textbooks, Montgomery County Community College gifts, notebooks and other items. **East House** contains the Office of the President, Grant Development, Equity and Diversity Initiatives, and Marketing and Communications. **West House** houses Alumni Affairs and the Montgomery County Community College Foundation.

The **Advanced Technology Center** is the first new classroom facility on the College’s Central Campus since 1972. This state-of-the-art facility debuted for the Fall ‘07 semester and includes an observatory, observation deck, Communications Studio, innovative classroom facilities, biology laboratories, and conference rooms.

**West Campus**
101 College Drive, Pottstown  
General Information, 610-718-1800  
Admissions, 610-718-1850

The West Campus is located in Pottstown. Opened in 1996, the West Campus serves 24 municipalities in western Montgomery County as well as municipalities in northern Chester County. The West Campus consists of two locations: South Hall located at 101 College Drive and North Hall located at 16 High Street. They are connected by a pedestrian underpass.

**South Hall** has state-of-the-art classrooms, science laboratories, a health careers suite, a library, a campus store, faculty offices and student support areas. The building is equipped with state-of-the-art telecommunications and computing equipment.

**North Hall** includes state-of-the-art classrooms, faculty offices, an art gallery, art studios, Workforce Development and Continuing Education offices, the Workforce Investment Board-funded GED program, the Verizon Foundation Center for Excellence in Workforce Education and Training and The University Center.

Our West Campus offers most of the degree programs that are available at our Central Campus, in addition to career programs in Radiography, Surgical Technology, Medical Assisting, Chef Apprenticeship; non-credit programs including programs for business and industry. The University Center allows students to attain select bachelor's and master's degrees through our partnerships with area colleges and universities.
