This application packet is for students applying for admissions to Montgomery County Community College AND will need an I-20, Certificate of Eligibility Form. All other students (US Citizens, Permanent Residents, and other visa classes) can apply for admissions online at www.mc3.edu/admissions or download the paper application.

Montgomery County Community College welcomes you and is pleased to help you meet your educational goals. The College accepts students applying from overseas outside the US, current F-1 students enrolled at other institutions in the US, and students currently applying for Change of Nonimmigrant Visa Status with USCIS.

Admissions Deadlines

THIS FORM AND REQUIRED DOCUMENTS MUST BE SUBMITTED BY THE APPLICATION DEADLINES:

**Overseas Applicants**
If you are applying directly from your home country, **July 1** for Fall Semester & **November 1** for Spring Semester

**Transfer Applicants**
If you are transferring from another institution, you may transfer in prior to the start date of the semester if your institution releases you and the application is submitted in a timely fashion. More information is listed below.

To transfer from another school, the student must first notify the foreign student advisor at their current school that they intend to transfer to Montgomery County Community College. Upon notification, that current school will update the student’s record in SEVIS as a “transfer out” and set a transfer date. The current school will retain control over that record until the transfer is complete. Let the advisor know that the College’s school code is PHI214F00317000. On that specific release date, the College will be granted full access to, and become responsible for the student’s SEVIS record.

After the release date, the College will complete the transfer and issue the student a new I-20 once your application is complete. Once the student enrolls in classes, the College will update their SEVIS record to reflect the new registration and current address.

Now that you are planning to be a student, follow these U.S. visa and entry rules:

1. YOU MUST enter the U.S. with an F-1 student entry visa (unless you are Canadian or from a country that is visa-exempt).
2. YOU MUST enter the U.S. with the Certificate of Eligibility issued by the university or school you plan to attend.
3. DO read page 2 of your I-20. You will be required to sign your certificate on page 1. The section above your signature indicates that you have read and agree to comply with the information explained on page 2. You should carefully read page 2 before you sign page 1.
4. DO NOT attempt to enter the U.S. more than 30 days before the “report date” listed on your I-20.
5. DO NOT enter the U.S. as a visitor showing a roundtrip airline ticket. Visitors who choose to enter the U.S. without a visa are permitted to stay for 90 days with no extensions or changes of status allowed. You must have an F-1 student entry visa with you when you enter the U.S., unless you are visa-exempt.
6. DO NOT enter the U.S. without having arranged for housing.

Once you become a student at Montgomery County Community College, you must follow these additional rules:

I have carefully read the Acknowledgement of F-1 Responsibilities and maintaining these rules and this is an acknowledgement that I understand the requirements of my F-1 status and my responsibilities as an F-1 student while at MCCC. Furthermore, I understand that working off campus without written authorization from USCIS in the form of the Employment Authorization Document (card), or written authorization from the USCIS in the form of Admissions in the case of CPT, is a major F-1 status violation. I understand that if my F-1 student status is violated in any way, I will not be eligible to receive any benefits or privileges granted to F-1 students. If I am ever unsure about employment restrictions regarding my status or my responsibilities as an F-1 student, I know that I should consult my foreign student advisor at the Student Success Center before taking any action that may jeopardize my ability to remain in the US to study.

If bank statements are not in your parents’ (or other sponsors’) names, demonstrate the link between the name on the statement and your parents/sponsors. Remember, a bank statement alone is not sufficient evidence of your financial support: you must also show evidence of your sponsor’s sources and amounts of income.

Financial documentation may not be older than six months at the time of submission.

You must present documentation from one of the options below:
