5. STANDARD OF QUALITY

A. The various Products specified in the Specifications by name or description are given to establish a standard of quality and of cost for Bid purposes. It is not the intent to limit the Bidder to any one Product specified but rather to describe the minimum standard. When proprietary names are used, they shall be followed by the words “or substitution meeting or
exceeding the minimum standard of quality, as determined by the College as evidenced by Addenda.” A Bid containing a substitution which does not meet the Specifications may be declared non-responsive. Where Products are listed with the words “No Substitutions”, these items are proprietary and the sole acceptable source for these Products, and no substitutions will be permitted.

B. No substitution will be considered prior to receipt of Bids unless written request for approval has been received by the College at least seven (7) calendar days prior to the date for receipt of Bids. Each such request shall include the name of the Product for which it is to be substituted and a complete description of the proposed substitute including, but not limited to, drawings, cuts, performance test data, manufacturer’s warranty and any other information necessary for an evaluation. The burden of proof of the merit of the proposed substitute is upon the Bidder. The College’s decision of approval or disapproval of a proposed substitution shall be final and binding.

C. If the College approves a proposed substitution prior to receipt of Bids, such approval will be set forth in an Addendum. Bidders shall not rely upon approvals in any other manner.

6. MODIFICATION AND WITHDRAWAL

Bids may not be modified after submittal. Bids may be withdrawn after submittal, provided the Bidder makes its request to withdraw in writing and the request is acknowledged by the College in writing prior to the time specified for Bid opening in the Invitation to Bid. Negligence by Bidder in preparing its Bid confers no right of withdrawal or modification of its Bid after such Bid has been opened. No claims on account of mistakes or omissions in any Bid will be considered.

7. OPENING OF BIDS

Bids will be publicly opened and read on the date, at the location, and commencing at the time stated in the Invitation to Bid. Bidders or their authorized agents may be present at Bid opening. The College shall have no obligation to notify any other person other than the lowest responsive and responsible Bidder of the College’s intent to award the Contract.

8. QUALIFICATIONS

Prior to the award of Contract, College may require satisfactory evidence to show that the Bidder is fully prepared in every way to perform the Contract timely and that it has been regularly engaged in such business. The College may make such investigation as it deems necessary to determine the ability of the bidder to do the work intended. In awarding bids, the College shall have sole discretion in determining the lowest responsive and responsible bidder and shall have the right to take into consideration the following factors, among others, in addition to price:

(i) The character, integrity, reputation and judgment of the Bidder.
(ii) The previous and existing compliance of the Bidder with the requirements of similar installations.
(iii) The ability, capacity, experience and skill of the Bidder to perform the Contract.
9. **COLLUSIVE BIDS**

More than one Bid for one Contract from an individual, partnership, corporation, company, or an association under the same or different names will be grounds for rejection of all Bids in which such Bidder is interested. Any and all Bids will be rejected if there is any reason for believing that collusion exists among any of the Bidders. Participants in such collusion will not be considered in future Bids.

10. **BID INELIGIBILITY**

A. Failure to provide Bid Security may result in rejection of Bid.

B. Bids not based on Bid Documents, those indicating a qualification of the Bid, conditions or uninvited substitutions, or which contain alteration of Bid Document forms, may be rejected by the College in its sole and absolute discretion. In addition, Bids failing to adhere to the Specifications may be rejected by the College in its sole and absolute discretion.

C. Bids that are unsigned, improperly signed or sealed, or illegible, may be rejected by the College in its sole and absolute discretion.

D. Bids where the prices are obviously unbalanced may be rejected by the College in its sole and absolute discretion.

E. Unless specifically required to be identified on the Bid Form, Bids containing “escalator” clauses may be rejected by the College at the College’s sole and absolute discretion.

F. All Bids shall conform with these Instructions to Bidders. Bids containing minor irregularities or informalities may be rejected by the College in its sole and absolute discretion. The College reserves the right to waive any such informalities or irregularities when a waiver is in the College’s best interest.

11. **BID REJECTION OR AWARD**

A. The College reserves the right to reject any and all Bids, or parts of a Bid, when a rejection is in the College’s best interest as determined by the College in its sole and absolute discretion. The College reserves the right to reject a Bid if the Bidder is not in a position to perform the Contract or has previously failed to perform similar contracts properly or on time as determined by the College in its sole and absolute discretion. If a Contract is awarded, it will be to the lowest responsive and responsible Bidder, provided such Bidder’s Bid is reasonable and in the College’s interest to accept.

B. In the event of a dispute between a Bidder and the College regarding the College’s determination of which Bidder is the lowest responsive and responsible Bidder, such contesting Bidder shall be responsible for any legal fees (e.g., fees of attorneys, paralegals and other legal professionals), professional fees, or other costs or expenses incurred by the College to the extent the Bidder does not completely prevail in such contest. Furthermore, under no circumstances shall
the College be responsible for any legal fees, professional fees, or other costs or expenses incurred by the contesting Bidder if the College decides not to award the Contract to such Bidder based upon the College’s determination in its sole and absolute discretion that such contesting Bidder is not the lowest responsive and responsible Bidder.

C. Bidder agrees that it has prepared its Bid at its sole cost and expense. If, for any reason, the College rejects the Bidder’s Bid, Bidder agrees that it shall not seek to recover expected profits or Bid preparation fees or costs, nor make a claim of unjust enrichment against the College.

D. Should the Bidder to whom a Contract is awarded fail to execute the Contract order in the form prescribed by the College within ten (10) days after award of the Contract, the College may cancel the award, and, in its sole discretion, either re-bid the Products or award a Contract to the next lowest responsive and responsible bidder.

E. Tie Bids. In the unlikely event of tie bids, award will be determined by the toss of a coin.

12. AWARD OF THE CONTRACT

A. It is the intent of the College to award the Contract to the lowest responsive and responsible Bidder provided the Bid has been submitted in accordance with the requirements of the Bid Documents and does not exceed the funds available to the College.

B. The College reserves the right to award a Contract for one or more of the items set forth in the Specifications, or for all items set forth in the Specifications.

C. The College will notify the lowest responsive and responsible Bidder if the College intends to award the Contract. Such Bidder shall complete and execute the Contract Form and Performance Bond (if applicable) in accordance with the amounts set forth in its Bid, and provide a certificate(s) of insurance. The executed Contract Form, Performance Bond (if applicable) and certificate(s) of insurance shall be submitted to the College by the Bidder within ten (10) calendar days of the date of the College’s notification of its intent to award the Contract as a condition precedent to the award.

13. PERFORMANCE BOND – NOT REQUIRED

A. Contractor shall furnish to College a performance bond in the amount of One Hundred Percent (100%) of the contract sum, conditioned upon the faithful performance of the Contract when the Base Bid exceeds One Hundred Thousand Dollars ($100,000.00). Such bond shall be executed on the form contained in the Bid Documents and shall be solely for the protection of College.

B. Any Performance Bond required by these Bid Documents shall be executed by a surety named in the current list of “Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies,” as published in Circular 570 (as amended) by the Audit Staff, Bureau of Governmental Financial Operations, U.S. Treasury.
Department, and the amount of the bonds shall not exceed the underwriting risk of the surety as set forth in said circular or revision thereof. The surety shall be licensed and qualified to do business in the Commonwealth of Pennsylvania. The bonds shall be accompanied by a power of attorney evidencing the authority of the agent of the surety to execute the bonds as of the date of the bonds.

C. The lowest responsive and responsible Bidder, as determined by the College, shall submit a Performance Bond (if applicable) within ten (10) calendar days of the date of the College’s notification of its intent to award the Contract as a condition precedent to the award. Failure to timely submit such required bond shall constitute a default by Bidder, and the College may, at its sole discretion, award the Contract to the next lowest responsive and responsible Bidder, reserving to itself all rights for damages relating to said default, or, in the alternative, allow Bidder additional time in which to secure the required bond. Other forms of bonds or changes in amounts may be required in the Specifications.

NOTICE: BIDS ARE PUBLICLY OPENED AND READ ON THE DATE SPECIFIED. IF YOU ARE INTERESTED IN IMMEDIATE INFORMATION RELATING TO THE BID, PLEASE HAVE A REPRESENTATIVE PRESENT AT BID OPENING. FOLLOWING BID OPENING, THE BIDS WILL BE REVIEWED BY THE APPROPRIATE AUTHORITIES OF AND FOR THE COLLEGE. Where Products are to be delivered or work is to be performed by Contractor on College Property, Contractor shall keep the College’s Property free from accumulation of waste materials or rubbish caused by Contractor’s performance. Contractor shall remove from and about the College’s Property, all waste materials, rubbish, tools, equipment, machinery and surplus materials. If Contractor fails to clean up as provided herein, the College may do so, and the costs thereof shall be paid by Contractor upon demand or deducted from subsequent invoices, at the College’s election.

D. Contractor shall promptly remedy damage and loss to any College Property caused in whole or in part by Contractor, its subcontractors, or anyone directly or indirectly employed by them.

11. WARRANTY

A. All Products shall be new merchandise (except as agreed by the College), not previously used or recycled merchandise, and all workmanship thereon shall be first class. Each Product, including any labor associated with such Product, shall be guaranteed by Contractor against defects in workmanship and materials for a period of one (1) year from the date such Product was delivered to and accepted by the College (the “Warranty Period”).

B. During the Warranty Period, Contractor shall promptly remedy, at Contractor’s expense, any defects in such Product, including, without limitation, and damage to College Property, which were caused, in the sole judgment of the College, by defective or inferior Products, workmanship or materials. If these defects are not remedied within five (5) days from notice received, the College shall have the right to replace any and all defective equipment and the Contractor agrees to pay all cost incurred thereby. Said costs may be deducted in whole or in part from the Contractor’s bill if said bill has not been paid in full.

C. If a Bidder’s proposed Warranty Period is less than or more than one year, the Bidder must specify the terms of the guarantee along with the bid price of the Products.

12. ASSIGNING OF CONTRACT

The Contractor shall not sell, transfer, assign, subcontract, or otherwise dispose of the Contract, or any portion thereof, or of its right, title, or interest therein without the written consent of the College.

13. GOVERNING LAW

The Contract shall be governed by the law of the Commonwealth of Pennsylvania, without regard to principles of conflict of laws.

14. CLAIMS AND DISPUTES

A. Claims, disputes or other matters in question between the parties to the Contract arising out of or relating to the Contract or breach thereof shall be exclusively litigated in the Court
of Common Pleas of Montgomery County and shall not be subject to arbitration, except for compulsory arbitration as provided by Montgomery County Civil Rules of Procedure, if applicable.

B. Pending resolution of any claim and/or dispute, unless otherwise agreed in writing, Contractor shall proceed diligently with performance of the Contract so as to avoid delay in the provision of Products.

C. In the event of a dispute between Contractor and the College, to the extent that the College incurs any legal fees, professional fees, or other costs or expenses, Contractor will be responsible for those amounts, which will be deducted, to the extent available, from any amount due Contractor. If the amount due Contractor is not sufficient to cover such costs and expenses, Contractor shall pay the difference to the College within seven (7) days of receipt of the College’s invoice for such legal fees, professional fees, or other cost or expenses.

15. WAIVER OF CLAIMS

The acceptance of final payment shall constitute a waiver of all claims by Contractor against the College other than those previously made in writing and specifically identified by Contractor as unsettled at the time of application for final payment.

16. TERMINATION OF CONTRACT

Upon ten (10) days written notice to Contractor, the College may, with or without cause and without prejudice to any other right or remedy, elect to terminate the Contract. Upon receipt of written notice from the College of such termination, Contractor shall cease operations as directed by the College in the notice; take actions necessary, or as the College may direct, for the protection and preservation of the Products; and except for Products directed to be delivered or performed prior to the effective date of termination stated in the notice, terminate all existing contracts, subcontracts and purchase orders and enter into no further contracts, subcontracts and purchase orders. In case of such termination, where Contractor is without fault, Contractor shall be entitled to receive payment from the College for all Products satisfactorily provided prior to the effective date of termination.

17. COMPLIANCE WITH LAWS

A. Contractor shall comply with all applicable federal, state, local and industry statutes, regulations, ordinances, codes and standards. The specific statutory requirements enumerated in this Section shall not limit the generality of the foregoing sentence or be construed as an exhaustive enumeration of Contractor’s obligations under applicable laws. The failure to specifically reference or include said matters in the Contract does not excuse Contractor from compliance with same.

B. Hazardous Materials. Each Contractor supplying or using any materials containing any hazardous substance listed on the Hazardous Substance List compiled by the Commonwealth of Pennsylvania, Department of Labor & Industry, must furnish appropriate material safety data
sheets for all products. The College reserves the right to require Contractor to use alternative products if, in the College’s sole discretion, the product is too hazardous to be used in an educational facility. The Contractor shall comply with all other terms and conditions of the Pennsylvania Worker and Community Right-to-Know Act, Act No. 159 of 1984, 35 P.S. §7301 et seq., providing all information regarding the composition of all materials and products used or installed as part of the Project when required.

C. Human Relations. Contractor shall comply with the Pennsylvania Human Relations Act, 43 P.S. §951 et seq., which prohibits discrimination because of race, color, religious creed, ancestry, age, sex, national origin, handicap or disability, by employers, employment agencies, labor organizations, contractors and others. Contractor’s attention is directed to the language of the Commonwealth Non-Discrimination Clause as set forth in 16 Pa. Code §349.101.

D. Non-Discrimination. In hiring of employees for the performance of work under the Contract or any subcontract hereunder, no contractor or subcontractor shall by reason of race, creed or color, religious creed, ancestry, age, sex, national origin, handicap or disability, discriminate against any citizen of the Commonwealth of Pennsylvania who is qualified and available to perform the work to which the employment relates. No Contractor, subcontractor, or any person on his behalf, shall in any manner discriminate against or intimidate any employee hired for the performance of work under this contract/purchase order on account of race, or color, religious creed, ancestry, age sex, national origin, handicap or disability. Should the College be subjected to any costs or damages as a result of the Contractor's actions which have caused a charge of discrimination, the College shall be indemnified fully for any such losses which would include, but not be limited to damages awarded against the College, its attorney's fees and any other such costs. The Contract may be cancelled or terminated by the College, and all moneys due, or to become due hereunder may be forfeited for a second or any subsequent violation of the terms of conditions of this paragraph.

E. Criminal History and Child Protective Services Information. Prior to any employee of Contractor, or an employee of Contractor’s subcontractors or material suppliers, if any, entering upon College Property to deliver any Products or perform any work, Contractor shall provide the College with a complete:

(i) Original report of criminal history record information from the Pennsylvania State Police or a statement from the Pennsylvania State Police that the Pennsylvania State Police central repository contains no such information relating to any of Contractor’s employees or its subcontractor’s employees delivering Products or working on the College Property prior to such persons entering the College Property. F. **Prohibited Employment.** The College shall review the above criminal history reports, self-reports and clearance statements for each individual who will prospectively work on-site. Where such review indicates that the individual has

(i) ever been convicted of any crime listed in 24 P.S. §1-111(e), or

(ii) was convicted of any other misdemeanor of the first degree or any other felony where supervision ended within the periods set forth in 24 P.S. §1-111(f.1), or

(iii) the clearance statement indicates the individual is named in the Statewide child abuse database as either

   (2) the perpetrator in a founded or indicated instance of child abuse,

the College will not clear the individual and the Contractor and its subcontractors shall refuse to employ any such individual as an independent contractor or employee to perform any service or activity on any site under control of the College.

18. **INTERPRETATIONS.**

The captions and headings of various Paragraphs in the Contract are for convenience only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof.
