If the amount of said damages exceeds the penal sum of the Bid Security, the Defaulting Bidder shall pay the College the full amount of the excess. If the College does not procure an executed contract with any other party for the performance of the Work within thirty (30) days after the acceptance of the Bid from the Defaulting Bidder, whether because of the lack of other Bids or the inability or refusal of any other Bidder to contract, or because the cost under any higher Bid would be greater than the College would afford, as determined in the sole discretion of the College, then in that event, the Defaulting Bidder and its Surety shall pay to the College the full amount of the Bid Security as liquidated damages and not as a penalty.

H. All Bids shall be submitted in a sealed opaque envelope, clearly identified with Bidder’s name and project name. The envelope shall also contain a notation that it should not be opened until the time specified for Bid opening. Bid envelopes not bearing this notation and

5. STANDARD OF QUALITY

A. The various Products specified in the Specifications by name or description are
given to establish a standard of quality and of cost for Bid purposes. It is not the intent to limit the
Bidder to any one Product specified but rather to describe the minimum standard. When
proprietary names are used, they shall be followed by the words “or substitution meeting or
exceeding the minimum standard of quality, as determined by the College as evidenced by
Addenda.” A Bid containing a substitution which does not meet the Specifications may be
declared non-responsive. Where Products are listed with the words “No Substitutions”, these items
are proprietary and the sole acceptable source for these Products, and no substitutions will be
permitted.

B. No substitution will be considered prior to receipt of Bids unless written request for
approval has been received by the College at least seven (7) calendar days prior to the date for
receipt of Bids. Each such request shall include the name of the Product for which it is to be substituted and a complete description of the proposed substitute including, but not limited to, drawings, cuts, performance test data, manufacturer’s warranty and any other information necessary for an evaluation. The burden of proof of the merit of the proposed substitute is upon the Bidder. The College’s decision of approval or disapproval of a proposed substitution shall be final and binding.

C. If the College approves a proposed substitution prior to receipt of Bids, such approval will be set forth in an Addendum. Bidders shall not rely upon approvals in any other manner.

6. MODIFICATION AND WITHDRAWAL

Bids may not be modified after submittal. Bids may be withdrawn after submittal, provided the Bidder makes its request to withdraw in writing and the request is acknowledged by the College in writing prior to the time specified for Bid opening in the Invitation to Bid. Negligence by Bidder in preparing its Bid confers no right of withdrawal or modification of its Bid after such Bid has been opened. No claims on account of mistakes or omissions in any Bid will be considered.

7. OPENING OF BIDS

Bids will be publicly opened and read on the date, at the location, and commencing at the time stated in the Invitation to Bid. Bidders or their authorized agents may be present at Bid opening. The College shall have no obligation to notify any other person other than the lowest responsive and responsible Bidder of the College’s intent to award the Contract.

8. QUALIFICATIONS

Prior to the award of Contract, College may require satisfactory evidence to show that the Bidder is fully prepared in every way to perform the Contract timely and that it has been regularly engaged in such business. The College may make such investigation as it deems necessary to determine the ability of the bidder to do the work intended. In awarding bids, the College shall have sole discretion in determining the lowest responsive and responsible bidder and shall have the right to take into consideration the following factors, among others, in addition to price:

(i) The character, integrity, reputation and judgment of the Bidder.
(ii) The previous and existing compliance of the Bidder with the requirements of similar installations.
(iii) The ability, capacity, experience and skill of the Bidder to perform the Contract.

9. COLLUSIVE BIDS

More than one Bid for one Contract from an individual, partnership, corporation, company, or an association under the same or different names will be grounds for rejection of all Bids in which such Bidder is interested. Any and all Bids will be rejected if there is any reason for believing that collusion exists among any of the Bidders. Participants in such collusion will not be considered in future Bids.

Instructions to Bidders 6
10. **BID INELIGIBILITY**

   A. Failure to provide Bid Security may result in rejection of Bid.

   B. Bids not based on Bid Documents, those indicating a qualification of the Bid, conditions or uninvited substitutions, or which contain alteration of Bid Document forms, may be rejected by the College in its sole and absolute discretion. In addition, Bids failing to adhere to the Specifications may be rejected by the College in its sole and absolute discretion.

   C. Bids that are unsigned, improperly signed or sealed, or illegible, may be rejected by the College in its sole and absolute discretion.

   D. Bids where the prices are obviously unbalanced may be rejected by the College in its sole and absolute discretion.

   E. Unless specifically required to be identified on the Bid Form, Bids containing “escalator” clauses may be rejected by the College at the College’s sole and absolute discretion.

   F. All Bids shall conform with these Instructions to Bidders. Bids containing minor irregularities or informalities may be rejected by the College in its sole and absolute discretion. The College reserves the right to waive any such informalities or irregularities when a waiver is in the College’s best interest.

11. **BID REJECTION OR AWARD**

   A. The College reserves the right to reject any and all Bids, or parts of a Bid, when a rejection is in the College’s best interest as determined by the College in its sole and absolute discretion. The College reserves the right to reject a Bid if the Bidder is not in a position to perform the Contract or has previously failed to perform similar contracts properly or on time as determined by the College in its sole and absolute discretion. If a Contract is awarded, it will be to the lowest responsive and responsible Bidder, provided such Bidder’s Bid is reasonable and in the College’s interest to accept.

   B. In the event of a dispute between a Bidder and the College regarding the College’s determination of which Bidder is the lowest responsive and responsible Bidder, such contesting Bidder shall be responsible for any legal fees (e.g., fees of attorneys, paralegals and other legal professionals), professional fees, or other costs or expenses incurred by the College to the extent the Bidder does not completely prevail in such contest. Furthermore, under no circumstances shall the College be responsible for any legal fees, professional fees, or other costs or expenses incurred by the contesting Bidder if the College decides not to award the Contract to such Bidder based upon the College’s determination in its sole and absolute discretion that such contesting Bidder is not the lowest responsive and responsible Bidder.

   C. Bidder agrees that it has prepared its Bid at its sole cost and expense. If, for any reason, the College rejects the Bidder’s Bid, Bidder agrees that it shall not seek to recover expected profits or Bid preparation fees or costs, nor make a claim of unjust enrichment against the College.
D. Should the Bidder to whom a Contract is awarded fail to execute the Contract order in the form prescribed by the College within ten (10) days after award of the Contract, the College may cancel the award, and, in its sole discretion, either re-bid the Products or award a Contract to the next lowest responsive and responsible bidder.

E. Tie Bids. In the unlikely event of tie bids, award will be determined by the toss of a coin.

12. AWARD OF THE CONTRACT

A. It is the intent of the College to award the Contract to the lowest responsive and responsible Bidder provided the Bid has been submitted in accordance with the requirements of the Bid Documents and does not exceed the funds available to the College.

B. The College reserves the right to award a Contract for one or more of the items set forth in the Specifications, or for all items set forth in the Specifications.

C. The College will notify the lowest responsive and responsible Bidder if the College intends to award the Contract. Such Bidder shall complete and execute the Contract Form and Performance Bond (if applicable) in accordance with the amounts set forth in its Bid, and provide a certificate(s) of insurance. The executed Contract Form, Performance Bond (if applicable) and certificate(s) of insurance shall be submitted to the College by the Bidder within ten (10) calendar days of the date of the College’s notification of its intent to award the Contract as a condition precedent to the award.

13. PERFORMANCE BOND

A. Contractor shall furnish to College a performance bond in the amount of One Hundred Percent (100%) of the contract sum, conditioned upon the faithful performance of the Contract when the Base Bid exceeds One Hundred Thousand Dollars ($100,000.00). Such bond shall be executed on the form contained in the Bid Documents and shall be solely for the protection of College.

B. Any Performance Bond required by these Bid Documents shall be executed by a surety named in the current list of “Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies,” as published in Circular 570 (as amended) by the Audit Staff, Bureau of Governmental Financial Operations, U.S. Treasury Department, and the amount of the bonds shall not exceed the underwriting risk of the surety as set forth in said circular or revision thereof. The surety shall be licensed and qualified to do business in the Commonwealth of Pennsylvania. The bonds shall be accompanied by a power of attorney evidencing the authority of the agent of the surety to execute the bonds as of the date of the bonds.

C. The lowest responsive and responsible Bidder, as determined by the College, shall submit a Performance Bond (if applicable) within ten (10) calendar days of the date of the College’s notification of its intent to award the Contract as a condition precedent to the award. Failure to timely submit such required bond shall constitute a default by Bidder, and the College

Instructions to Bidders

may, at its sole discretion, award the Contract to the next lowest responsive and responsible Bidder, reserving to itself all rights for damages relating to said default, or, in the alternative, allow Bidder additional time in which to secure the required bond. Other forms of bonds or changes in amounts may be required in the Specifications.

NOTICE: BIDS ARE PUBLICLY OPENED AND READ ON THE DATE SPECIFIED. IF YOU ARE INTERESTED IN IMMEDIATE INFORMATION RELATING TO THE BID, PLEASE HAVE A REPRESENTATIVE PRESENT AT BID OPENING. FOLLOWING BID OPENING, THE BIDS WILL BE REVIEWED BY THE APPROPRIATE AUTHORITIES OF AND FOR THE COLLEGE. THEREFORE, INFORMATION ON THE BIDS WILL NOT AGAIN BE AVAILABLE UNTIL THEY HAVE BEEN REVIEWED AND A FINAL RECOMMENDATION IS PRESENTED TO THE BOARD OF TRUSTEES OF THE COLLEGE AT ITS REGULARLY SCHEDULED MEETING.

B. In the event Contractor shall neglect or refuse to complete the Contract as required, or any part thereof, or to replace any Product or re-perform any service or work which is rejected, then the College is authorized and empowered to purchase Products, materials, equipment and services from third parties, and in such manner as it shall elect at the expense of Contractor, or to cancel the Contract; reserving to itself, nevertheless, all rights for damages, including, without
limitation, legal fees, legal costs, and additional professional costs, which may be incurred by the College.

C. If Contractor is delayed at any time in the provision of Products by any act or neglect of the College, its agents, employees, retained professionals, any separate contractor employed by the College or by changes ordered in the Products, labor disputes (excluding labor disputes with Contractor’s own employees), fire, unusual delay in transportation, adverse weather conditions not reasonably anticipated, unavoidable casualties or by any other cause beyond the reasonable control of Contractor, Contractor’s exclusive remedy shall be an extension of time allowed for provision of the Products under the Contract. This extension of time shall not act as an entitlement for damages due and owing Contractor for said delay. Under no circumstances shall Contractor be entitled to claim or recover payment, compensation or damages for any delays from any cause whatsoever in the provision of Products, notwithstanding whether such delays be avoidable or unavoidable.

9. PAYMENT

A. Contractor shall be entitled to invoice the College for all Products delivered to the College at the designated unit price provided that all Products for which payment has been requested have been furnished and completed in accordance with the Contract and Contractor is in full compliance with all requirements of the Contract. 10. ACCESS/CLEAN-UP/DAMAGE TO PREMISES.

A. Prior to entering College Property, Contractor shall notify the Director of Facilities at 215-641-6533 so that the College can notify Contractor of any security requirements and make appropriate arrangements to accommodate Contractor’s work.

B. All shipments are to be made to the College in accordance with the instructions forwarded to the successful Bidder by the College. All deliveries shall be made between the hours of 8:30 AM and 4:30 PM Monday through Friday, except on College holidays.

C. Where Products are to be delivered or work is to be performed by Contractor on College Property, Contractor shall keep the College’s Property free from accumulation of waste materials or rubbish caused by Contractor’s performance. Contractor shall remove from and about the College’s Property, all waste materials, rubbish, tools, equipment, machinery and surplus materials. If Contractor fails to clean up as provided herein, the College may do so, and the costs thereof shall be paid by Contractor upon demand or deducted from subsequent invoices, at the College’s election.
D. Contractor shall promptly remedy damage and loss to any College Property caused in whole or in part by Contractor, its subcontractors, or anyone directly or indirectly employed by them.

11. WARRANTY

A. All Products shall be new merchandise (except as agreed by the College), not previously used or recycled merchandise, and all workmanship thereon shall be first class. Each Product, including any labor associated with such Product, shall be guaranteed by Contractor against defects in workmanship and materials for a period of one (1) year from the date such Product was delivered to and accepted by the College (the “Warranty Period”).

B. During the Warranty Period, Contractor shall promptly remedy, at Contractor’s expense, any defects in such Product, including, without limitation, and damage to College Property, which were caused, in the sole judgment of the College, by defective or inferior Products, workmanship or materials. If these defects are not remedied within five (5) days from notice received, the College shall have the right to replace any and all defective equipment and the Contractor agrees to pay all cost incurred thereby. Said costs may be deducted in whole or in part from the Contractor’s bill if said bill has not been paid in full.

C. If a Bidder’s proposed Warranty Period is less than or more than one year, the Bidder must specify the terms of the guarantee along with the bid price of the Products.

12. ASSIGNING OF CONTRACT

The Contractor shall not sell, transfer, assign, subcontract, or otherwise dispose of the Contract, or any portion thereof, or of its right, title, or interest therein without the written consent of the College.

13. GOVERNING LAW

The Contract shall be governed by the law of the Commonwealth of Pennsylvania, without regard to principles of conflict of laws.

14. CLAIMS AND DISPUTES

A. Claims, disputes or other matters in question between the parties to the Contract arising out of or relating to the Contract or breach thereof shall be exclusively litigated in the Court of Common Pleas of Montgomery County and shall not be subject to arbitration, except for compulsory arbitration as provided by Montgomery County Civil Rules of Procedure, if applicable.

B. Pending resolution of any claim and/or dispute, unless otherwise agreed in writing, Contractor shall proceed diligently with performance of the Contract so as to avoid delay in the provision of Products.

C. In the event of a dispute between Contractor and the College, to the extent that the College incurs any legal fees, professional fees, or other costs or expenses, Contractor will be
responsible for those amounts, which will be deducted, to the extent available, from any amount due Contractor. If the amount due Contractor is not sufficient to cover such costs and expenses, Contractor shall pay the difference to the College within seven (7) days of receipt of the College’s invoice for such legal fees, professional fees, or other cost or expenses.

15. **WAIVER OF CLAIMS**

The acceptance of final payment shall constitute a waiver of all claims by Contractor against the College other than those previously made in writing and specifically identified by Contractor as unsettled at the time of application for final payment.

16. **TERMINATION OF CONTRACT**

Upon ten (10) days written notice to Contractor, the College may, with or without cause and without prejudice to any other right or remedy, elect to terminate the Contract. Upon receipt of written notice from the College of such termination, Contractor shall cease operations as directed by the College in the notice; take actions necessary, or as the College may direct, for the protection and preservation of the Products; and except for Products directed to be delivered or performed prior to the effective date of termination stated in the notice, terminate all existing contracts, subcontracts and purchase orders and enter into no further contracts, subcontracts and purchase orders. In case of such termination, where Contractor is without fault, Contractor shall be entitled to receive payment from the College for all Products satisfactorily provided prior to the effective date of termination.

17. **COMPLIANCE WITH LAWS**

   A. Contractor shall comply with all applicable federal, state, local and industry statutes, regulations, ordinances, codes and standards. The specific statutory requirements enumerated in this Section shall not limit the generality of the foregoing sentence or be construed as an exhaustive enumeration of Contractor’s obligations under applicable laws. The failure to specifically reference or include said matters in the Contract does not excuse Contractor from compliance with same.

   B. **Hazardous Materials.** Each Contractor supplying or using any materials containing any hazardous substance listed on the Hazardous Substance List compiled by the Commonwealth of Pennsylvania, Department of Labor & Industry, must furnish appropriate material safety data sheets for all products. The College reserves the right to require Contractor to use alternative products if, in the College’s sole discretion, the product is too hazardous to be used in an educational facility. The Contractor shall comply with all other terms and conditions of the Pennsylvania Worker and Community Right-to-Know Act, Act No. 159 of 1984, 35 P.S. §7301 et seq., providing all information regarding the composition of all materials and products used or installed as part of the Project when required.

   C. **Human Relations.** Contractor shall comply with the Pennsylvania Human Relations Act, 43 P.S. §951 et seq., which prohibits discrimination because of race, color, religious creed, ancestry, age, sex, national origin, handicap or disability, by employers, employment agencies, labor organizations, contractors and others. Contractor’s attention is directed to the language of the Commonwealth Non-Discrimination Clause as set forth in 16 Pa. Code §349.101.
D. **Non-Discrimination.** In hiring of employees for the performance of work under the Contract or any subcontract hereunder, no contractor or subcontractor shall by reason of race, creed or color, religious creed, ancestry, age, sex, national origin, handicap or disability, discriminate against any citizen of the Commonwealth of Pennsylvania who is qualified and available to perform the work to which the employment relates. No Contractor, subcontractor, or any person on his behalf, shall in any manner discriminate against or intimidate any employee hired for the performance of work under this contract/purchase order on account of race, or color, religious creed, ancestry, age sex, national origin, handicap or disability. Should the College be subjected to any costs or damages as a result of the Contractor's actions which have caused a charge of discrimination, the College shall be indemnified fully for any such losses which would include, but not be limited to damages awarded against the College, its attorney's fees and any other such costs. The Contract may be cancelled or terminated by the College, and all moneys due, or to become due hereunder may be forfeited for a second or any subsequent violation of the terms of conditions of this paragraph.

E. **Criminal History and Child Protective Services Information.** Prior to any employee of Contractor, or an employee of Contractor’s subcontractors or material suppliers, if any, entering upon College Property to deliver any Products or perform any work, Contractor shall provide the College with a complete:

(i) Original report of criminal history record information from the Pennsylvania State Police or a statement from the Pennsylvania State Police central repository contains no such information relating to any of Contractor’s employees or its subcontractor’s employees delivering Products or working on the College Property prior to such persons entering the College Property. Such report of criminal history shall be dated no more than one (1) year prior to the date of execution of the Form of Contract. To obtain this document, contact the nearest Pennsylvania State Police barracks.

(ii) Copy of the Federal Criminal History record from the Federal Bureau of Investigation in the manner prescribed by the Department of Education. To obtain such a report, contact the nearest FBI Field Office.

(iii) Original background check in accordance with Section 111 of the Public School Code of 1949, 24 P.S. Section 1-111, et seq., on the form published by the Pennsylvania Department of Education.

(iv) Official clearance statement obtained from the Pennsylvania Department of Public Welfare pursuant to Section 6344 of the Child Protective Services Act, 23 Pa.C.S. §6344(b)(2), as the same has been or may be amended from time to time.

(v) Self-reporting form provided by the Department of Education (form PDE-4006) completed and signed by, as applicable, the employee, individual subcontractor, or subcontractor’s employee.
F. **Prohibited Employment.** The College shall review the above criminal history reports, self-reports and clearance statements for each individual who will prospectively work on-site. Where such review indicates that the individual has

(i) ever been convicted of any crime listed in 24 P.S. §1-111(e), or

(ii) was convicted of any other misdemeanor of the first degree or any other felony where supervision ended within the periods set forth in 24 P.S. §1-111(f.1), or

(iii) the clearance statement indicates the individual is named in the Statewide child abuse database as either

(1) an alleged perpetrator in a pending investigation, or

(2) the perpetrator in a founded or indicated instance of child abuse,

the College will not clear the individual and the Contractor and its subcontractors shall refuse to employ any such individual as an independent contractor or employee to perform any service or activity on any site under control of the College.

18. **INTERPRETATIONS.**

The captions and headings of various Paragraphs in the Contract are for convenience only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof. The invalidity of any covenant, restriction, condition, limitation or any other part or provision of the Contract shall not impair or affect in any manner the validity, enforceability or effect of the remainder of the Contract.

19. **COMPLIANCE WITH COLLEGE RULES AND REGULATIONS**

A. **No Smoking or Tobacco use in Buildings.** Contractor will prohibit employees from smoking or using tobacco products in College Buildings, while on campus.

- In the event these designated spaces cannot be utilized, notify the Public Safety Department for proper clearance.
- Obtain and display a parking permit from the Public Safety Department.

BIDDER

Re: Interior Building Signage, Bid #01-082216SB-01

The following Bid is submitted in response to your Invitation to Bid.

The Bid Security (if applicable) in the amount required by the Instructions to Bidders and the General Conditions of the Contract is enclosed with the Bid. It is agreed by this Bidder that the Bid Security shall be forfeited to the Montgomery County Community College (“College”) if this Bidder does not, within ten (10) days after notification of Award of Contract, furnish to the College the Performance Bond (if required by the Bid Documents), insurance certificate, and executed Contract as required by the Bid Documents.

This Bidder has carefully examined the Bid Documents and certifies that it fully understands the requirements thereof. This Bidder agrees that, upon receipt of a fully executed Contract, it will furnish and deliver Products in accordance with the Specifications and other Contract Documents in an expeditious and workmanlike manner to the complete satisfaction and acceptance of the College for the price hereinafter stated.

This Bidder submits this Bid with the understanding that the Products to be delivered and the work encompassed in the Bid Documents shall be commenced immediately upon receipt of an order for Products from the College and shall be delivered in the manner required by the Contract Documents.

This Bidder understands the following supplements to the Bid Form must be submitted concurrent with this Bid submission.

Bid Security
Attachment to Bid Form regarding Rebates and Discounts

Bidder understands the following supplements to the Bid Form must be executed and submitted to the College within ten (10) calendar days after notification is received that it is the lowest responsive and responsible Bidder and that failure to do so within such time shall be a deficiency in the Bid and cause for the College to reject this Bid, award the Contract to another entity and retain Bidder’s Bid Security:

Contract Form
Performance Bond (if applicable)
Certificate of Insurance
This Bid is submitted with the definite understanding that Bids are valid for acceptance by the College and may not be withdrawn for a period of at least ninety (90) days after the actual date of the opening thereof.

It is understood that the College reserves the right to reject any or all Bids, or part(s) thereof or item(s) therein, and to waive technical deficiencies with the Bid if it is in the best interests of the College. Omission of any information may be sufficient cause for rejection of this Bid. It is further understood that competency and responsibility of Bidders will receive consideration before the Award of Contract.

The undersigned will not assign its Bid or any of its rights or interests thereunder without the written consent of the College.

The Base Bid and other required information are submitted in the spaces provided. Handwritten initials on each page of this Bid Form identify each as a part of this Bid.

**UNIT PRICES**

The Bidder hereby bids unit prices on the following items as identified below. If any extra Products are required in these categories beyond the Contract requirements, the unit prices shall be used as a basis for determining the amount of additional payment to Contractor for additional Products. If any deletions are to be made in these categories, the unit prices shall be used as the basis for determining the credit the College is entitled to receive. Each unit price represents the full compensation per unit of measurement for the Products, including, without limitation, all labor, material, equipment, insurance, taxes, overhead, profit, mark-ups and other general condition costs. The Bidder shall multiply the price per unit by the estimated quantity for each item to determine the total amount attributed to such item in the Base Bid, which shall equal the aggregated amounts for each item.

The College reserves the right to reject any unit price which is unreasonable or unbalanced, as compared with prevailing costs, or as compared with the unit prices submitted by the other bidders for the Products. The College reserves the right to ask for a revised unit price before or after the Contracts are signed.

CONTRACT FORM

This Contract is made and entered into this _____ day of ________________, 20___ ("Effective Date") by and between the Montgomery County Community College (hereinafter, the "College") and _____________________________________________________________________________ (the "Contractor").

Whereas, Contractor submitted a Bid in connection with the College’s procurement of **Interior Building Signage** (the “Products”) as an indefinite quantity of goods and services contract as detailed in the Specifications incorporated in the Contract Documents;

Whereas, the College notified Contractor that it was the lowest responsive and responsible Bidder for the Products;

Whereas, Contractor executes this Contract Form to memorialize its acceptance of the terms and conditions of the Contract.

Now, therefore for the consideration stated herein and other good and valuable consideration, the sufficiency of which is expressly acknowledged by both parties, and intending to be legally bound hereby, the parties mutually agree as follows:

1. Capitalized terms not defined herein shall have the same means as set forth in the Instructions to Bidders or General Conditions of the Contract, as applicable.

2. Contractor agrees to furnish all Products requested by the College in writing in accordance with the Contract Documents.

3. Upon written request from the College, Contractor shall supply the Products to the College at the unit prices identified in Contractor’s Bid Form within applicable time limits.

4. The quantities of Products listed in the Specifications and/or Bid Form are merely estimates of the College’s needs. The College reserves the right to purchase more, less or none of the Products as the College determines it requires in the College’s sole and absolute discretion. The Products will be requisitioned by the College on an as-needed basis throughout the duration of the Contract.

5. This Contract shall expire one (1) year from the Effective Date unless otherwise terminated. The College reserves the right to extend the Contract upon written notice to Contractor, on the same terms and conditions, for an additional three (3) months for purposes of transitioning the supply of Products to another supplier.

6. The entire integrated agreement between the College and Contractor in connection with the Project includes this Contract Form, the completed Performance Bond, the completed Bid Form, any other completed forms required by the Specifications, and the Bid Documents, all of which are incorporated herein by reference.
IN WITNESS WHEREOF, the Contractor and College cause this Contract to be signed, sealed and delivered as of the day and year first above written.

BID BOND

KNOW ALL MEN BY THESE PRESENTS that we, ________________
(hereinafter called the “Principal”), and ________________
a company authorized to transact business in the Commonwealth of Pennsylvania, and having its principal office at ________________,
(hereinafter called the “Surety”), as Surety, are held and firmly bound unto the MONTGOMERY COUNTY COMMUNITY COLLEGE (hereinafter called the “Obligee”), as Obligee, in the amount equal to TEN PERCENT (10%) OF THE BASE BID (the “Penal Sum”), as lawful money of the United States of America, for payment of which we bind ourselves, and each of our respective heirs, legal representatives, successors and assigns, jointly and severally, by these presents, on this _____ day of ________________, 20____.

WHEREAS, said Principal is herewith submitting to the Obligee a bid to provide the ____________ pursuant to Specifications and other Contract Documents incorporated into said bid by reference; and it is a condition of the Obligee’s receipt and consideration of said bid that such shall be accompanied by bid security to be held by the Obligee on terms embodied herein.

THEREFORE, the condition of this obligation is that if said Principal shall, in the event of acceptance of its Bid by Obligee and within the period specified therefore in the Bid Documents, enter into a written contract with the Obligee, in accordance with the Bid as accepted, and give bond(s) with good and sufficient surety or sureties, as may be required for the faithful performance and proper fulfillment of such contract, in the form specified by the Obligee, and furnish required certificates of insurance, in all respects as required by the Contract Documents, then this obligation shall be void and of no effect, but otherwise it shall remain in full force. In the event of the failure to enter into such contract, give such bond(s), and furnish such certificates of insurance within the time specified, the Principal and Surety will pay to the Obligee the difference between the amount of the Principal’s accepted bid and any higher amount for which the Obligee may contract for the required Products, as well as any advertising, professional, architectural, legal and other costs incurred by the Obligee by reason of the default; provided, however, that the obligations of the Surety hereunder shall not exceed the amount of the Penal Sum together with interest. If the Obligee does not procure an executed contract with any other party for the provision of the Products within thirty (30) days after the acceptance of the Bid from the Principal, whether because of the lack of other bids or the inability or refusal of any other Bidder to contract, or because the cost under any higher bid would be greater than the Obligee would afford, as determined in the sole discretion of the Obligee, then in that event, the Principal and Surety shall pay to the Obligee the full amount of the Penal Sum together with interest as liquidated damages and not as penalty.

IN WITNESS WHEREOF, the Principal and the Surety cause this Bid Bond to be signed, sealed and delivered this __ day of ________________, 20____.

PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENTS that we, ______________________, as Principal (the “Principal”), and _____________________________________, a corporation organized and existing under the laws of the _______ of ____________________, having its principal office at _________________________________________, and authorized to do business in the Commonwealth of Pennsylvania, as Surety (the “Surety”), are held and firmly bound, jointly and severally, unto the MONTGOMERY COUNTY COMMUNITY COLLEGE, as Obligee (the “Obligee”), as hereinafter set forth in the full and just sum of ____________________________________________ Dollars ($_______________________), lawful money of the United States of America, for the payment of which sum we bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents. If more than one surety is named above, said sureties shall be jointly and severally liable to Obligee.

WITNESSETH THAT:

WHEREAS, The Principal heretofore has submitted to the Obligee a certain bid (the “Bid”), to provide the Interior Building Signage for the Obligee pursuant to the specifications and other contract documents, constituting the Contract, which are incorporated into the Bid by reference and a part thereof (the “Contract Documents”); and

WHEREAS, the Contract Documents are incorporated in this Bond by reference and made a part hereof; and

WHEREAS, it is a condition of the Contract Documents that this Bond shall be furnished by the Principal to the Obligee; and

WHEREAS, under the Contract Documents, it is provided, inter alia, that if the Principal shall furnish this Bond to the Obligee, and if the Obligee shall make an award to the Principal in accordance with the Bid, then the Principal and the Obligee shall enter into a contract with respect to provision of the Products (the “Contract”), the form of which Contract is set forth in the Contract Documents.
NOW, THEREFORE, the terms and conditions of this bond are and shall be that if:

(a) the Principal well, truly and faithfully shall comply with and shall perform the Contract in accordance with the Contract Documents, at the time and in the manner provided in the Contract and in the Contract Documents, and if the Principal shall satisfy all claims and demands incurred in or related to the performance of the Contract by the Principal or growing out of the performance of the Contract by the Principal, and if the Principal shall indemnify completely and shall save harmless the Obligee and all of its officers, agents and employees from any and all costs and damages which the Obligee and all of its officers, agents and employees may sustain or suffer by reason of the failure of the Principal to do so, and if the Principal shall reimburse completely and shall pay to the Obligee any and all costs and expenses which the Obligee and all of its officers, agents and employees may incur by reason of any such default or failure of the Principal, including, but not limited to, additional legal and professional fees resulting from such default or failure of the Principal, delay damages resulting from such default or failure of the Principal, and liquidated damages in accordance with the Contract Documents; and (b) if the Principal shall remedy, without cost to the Obligee, all defects which may develop during the period of one (1) year from the date the Product was delivered to the Obligee and acceptance of the Obligee of the Products delivered and work to be performed under the Contract in accordance with the Contract Documents, which defects, in the sole judgment of the Obligee or its legal successors in interests, shall be caused by or shall result from defective or inferior Products, materials or workmanship; and (c) if the Principal shall remedy, without cost to the Obligee, all damage to College Property (as defined in the Contract Documents) which may develop during the period of one (1) year from the date the Product was delivered to the Obligee and acceptance of the Obligee of the Products delivered and work to be performed under the Contract in accordance with the Contract Documents, which damage, in the sole judgment of the Obligee or its legal successors in interests, shall be caused by or shall result from defective or inferior Products, materials or workmanship, then this Bond shall be void; otherwise, this Bond shall be and shall remain in force and effect and all claims, demands, costs, expenses and damages including, but not limited to, additional legal and professional fees resulting from the default or failure of Principal, delay damages resulting from such default or failure of the Principal, and liquidated damages in accordance with the Contract Documents, shall be payable by Principal and Surety to Obligee; provided, however, that the obligations of the Surety hereunder shall not exceed the amount of this Performance Bond.

The Principal and the Surety agree that any alterations, changes and/or additions to the Contract Documents, and/or any alterations, changes and/or additions to the Products to be delivered or work to be performed under the Contract in accordance with the Contract Documents, and/or any alterations, changes and/or additions to the Contract, and/or any giving by the Obligee of any extensions of time for the performance of the Contract in accordance with the Contract Documents, and/or any act of forbearance of either the Principal or the Obligee toward the other with respect to the Contract Documents and the Contract, shall not release, in any manner whatsoever, the Principal and the Surety, or either of them, or their heirs, executors, administrators, successors and assigns, from liability and obligation under this bond; and the Surety, for value received, does waive notice of any such alterations, changes, additions, extensions of time, and/or acts of forbearance.
If the Principal is a foreign corporation (incorporated under any laws other than those of the Commonwealth of Pennsylvania) then further terms and conditions of this Bond are and shall be that the Principal and the Surety shall not be discharged from liability on this Bond, nor this Bond surrendered until such Principal files with the Obligee a certificate from the Pennsylvania Department of Revenue evidencing the payment in full of all bonus taxes, penalties and interest, and a certificate from the Bureau of Employment and Unemployment Compensation of the Pennsylvania Department of Labor and Industry, evidencing the payment of all unemployment compensation, contributions, penalties and interest due the Commonwealth from said Principal or any foreign corporation, subcontractor thereunder or for which liability has accrued but the time for payment has not arrived, all in accordance with provisions of the Act of June 10, 1947, P.L. 493, of the Commonwealth of Pennsylvania.

Any proceeding, legal or equitable, under this Bond shall be instituted in the Court of Common Pleas of Montgomery County, Commonwealth of Pennsylvania, and in any such proceeding Obligee may join both Principal and Surety as parties, and Principal and Surety hereby consent to such joinder, jurisdiction and venue. This Bond shall be governed by, and construed and enforced in accordance with, the laws of the Commonwealth of Pennsylvania.
