DUAL ADMISSIONS
Transfer Agreement

Temple University welcomes transfer applicants from both two-year and four-year colleges around the country and the world. Transfer students comprise more than half of each entering class and are a vital part of our vibrant campus communities. We know that as a prospective transfer student, you have special needs and concerns. Temple University’s DUAL ADMISSIONS transfer agreements were designed to facilitate students’ ease of transfer into any of Temple’s 100+ undergraduate majors and, ultimately, to foster academic success.

ADVANTAGES OF THE TEMPLE-MCCC DUAL ADMISSIONS PROGRAM

If you are newly admitted to an associate degree program or have completed 30 or fewer college-level credits (including any credits completed at previous institutions) you are eligible to complete an INTENT TO ENROLL FORM available in the transfer office. Please note: Students who have previously been matriculated to Temple University are not eligible for the Dual Admissions program.

Registration in this program entitles you to be admitted into a bachelor’s degree program at Temple provided that you: earn your associate degree (A.A., A.S., or A.G.S.) with a minimum 2.3 final grade point average; enroll at Temple within one year of graduation from community college; and do not attend another institution between graduation from community college and enrollment at Temple. (Your enrollment is non-binding and can be canceled if you send written notification to both Temple University and MCCC.)

This agreement applies to all Temple majors except for the following competitive majors (art, architecture, music, dance, pharmacy, nursing, and health information management), which have additional admission requirements. See www.temple.edu for a full listing of majors. The program offers these distinct advantages:

• Scholarship opportunities for great students!
  • Full-time: $1,000 academic scholarship to students with final 3.30-3.64 GPA;
    $2,000 academic scholarship to students with final 3.65-4.0 GPA;
  • Part-time*: $500 academic scholarship to students with final 3.30-3.64 GPA and
    $1,000 academic scholarship to students with final 3.65-4.0 GPA;
* registered with 6-11 Temple credits per semester

All scholarships may be renewed for up to three years with a 3.0 Temple cumulative GPA.

• Application fee waiver when you submit the Dual Admission Information Form to apply.

• Official MCCC transcripts sent for you along with your application to Temple.

You must complete a “DUAL ADMISSIONS INTENT TO ENROLL” form which is available in MCCC’s Enrollment Services. For additional information ask any MCCC transfer counselor, e-mail Temple Dual Admissions dualadm@temple.edu or call Undergraduate Admissions at 215-204-7200.

This is an opportunity for new or continuing students with 0-30 college-level credits.
5 Easy Steps to Dual Admissions

1. Visit MCCC’s Enrollment Services to fill out an “Intent to Enroll” form before completing 30 college credits. Remember, this includes any prior credits completed at other colleges or universities. Admissions professionals will pre-screen you to make sure you are eligible for the program.

2. The semester following your enrollment in the Dual Admissions program, you will receive a conditional admission letter from Temple University.

3. In the semester before you are planning to begin attending Temple University, you must complete a Dual Admissions Information Form in MCCC’s Enrollment Services by June 1st for Fall admission or November 1st for Spring Admission. This form will be sent to Temple along with your official MCCC transcripts. Note that special programs may have separate deadlines for admission.

4. Request official transcripts from any other college you have attended, as well as from your high school.

5. To be considered for a Dual Admissions Scholarship, a final transcript reflecting degree earned and final Grade Point Average must be sent from MCCC to the Coordinator for Dual Admissions.
