**DUAL ADMISSIONS AGREEMENT**  
**BETWEEN**  
**MONTGOMERY COUNTY COMMUNITY COLLEGE**  
**AND**  
**TEMPLE UNIVERSITY**

**PREFACE**

Montgomery County Community College ("MCCC") and Temple University of the Commonwealth System of Higher Education ("Temple") enter into this Dual Admission agreement ("Agreement") so that students enrolled in eligible Associate's degree programs at MCCC will be guaranteed admission into a Bachelor's degree program at Temple on the condition that they: sign a non-binding, "Dual Admissions Intent" form any time after admission to MCCC and before attaining more than 30 college credits at MCCC or another college or university; graduate from MCCC in an eligible Associate's degree program with a minimum GPA of 2.30; enroll within one year of MCCC graduation; do not attend another institution between the time they graduate from MCCC and enroll at Temple; apply by the appropriate deadlines as determined by Temple; and complete other regular admissions requirements as determined by and to the satisfaction of Temple. To facilitate the transfer of MCCC graduates to Temple, the parties agree to the following:

**OBLIGATIONS OF TEMPLE:**

1. To waive the admissions application fee.
2. To award academic scholarships to qualified students pursuant to this agreement.. Fulltime students (enrolled in 12 or more credits per semester) with a 3.30-3.64 final MCCC GPA will receive \$1000 per year (up to \$3000 total). Full-time students with a 3.65-4.0 final MCCC GPA will receive \$2000 per year (up to \$6000 total). Part-time students (enrolled in 6-11 credits per semester) with a 3.30-3.64 or 3.65-4.00 final MCCC GPA will receive a one-half scholarship (\$500 or \$1000 per year), up to a \$3000 or \$6000 total award. All scholarships may be renewed each year contingent upon the students maintaining a 3.0 cumulative Temple GPA.
3. To support a "CORE to CORE" articulation agreement that allows transferring MCCC students with eligible Associate's degrees to fulfill Temple CORE requirements by taking two Temple writing-intensive courses; all other Temple CORE requirements will have been met. MCCC students transferring with an Associate in General Studies (A.G.S.) degree will meet Temple's "45+" CORE requirements rather than qualifying for the "CORE to CORE" agreement.
4. To continue working on curriculum articulation agreements that provide transfers with credit evaluations that specify the remaining Temple course work for degree completion.

5. To send, within 30 days of receipt of the "Dual Admissions Intent" form, a letter of admission and general Temple information to all MCCC students who are eligible for admission to Temple under this agreement. For Temple admission, such students must satisfy the conditions set forth in the Preface, meet application deadlines and satisfy all other regular admissions requirements as determined by Temple. Students must select a specific School or College major (not Undeclared). Admission into some competitive Temple majors (art, architecture, music, dance, pharmacy, nursing, and health information management) is not guaranteed and depends on specific School/College requirements that are not affected by this agreement. MCCC students who complete an intent to enroll form will be governed by the Temple degree requirements in effect at the time of their Temple matriculation.

6. To schedule one or more advising days each semester at MCCC as the institutions mutually deem necessary and to develop written advising information for Temple academic programs.

7. To insure that students will be provided with Temple financial aid information and receive full consideration for Temple financial aid upon matriculation at Temple.

8. To insure that when MCCC dual admissions students matriculate at Temple they will have all the rights and privileges of other Temple students.

#### **OBLIGATIONS OF MONTGOMERY COUNTY COMMUNITY COLLEGE:**

1. To publicize this dual admissions agreement to prospective students in their admissions literature and to inform matriculating students of their opportunity for dual admission to Temple University under the conditions of this agreement.

2. To distribute, receive and process "Dual Admissions Intent" forms that students must complete in order to participate in this program.

3. To record the annual Fall and Spring cohorts who are eligible for dual admission and to provide Temple with cohort data bases (on computer disk) of all eligible Associate's degree enrollees admitted under this agreement.

#### **JOINT OBLIGATIONS:**

1. Appropriate officials from each institution will review this agreement annually and make any changes that are mutually agreed to by the parties as needed. No such changes shall become effective unless expressed in writing that is signed by representatives from both parties. This agreement will automatically be renewed unless superseded by a new agreement. Either institution may terminate the agreement at any time by written notice at least one year in advance of the effective date of termination. However, it is understood

that such termination will not apply to students already accepted to Temple under the terms of this agreement, even though not yet enrolled.

2. MCCC and Temple will jointly develop and implement advertising and promotional efforts to attract students to the program and will develop, maintain and share records of the MCCC students admitted into the program to the extent permitted by law.

3. Each institution will designate a representative who will coordinate and monitor the Dual Admissions program.
